FOR ADDITIONAL SPARES INFORMATION - SEE REVERSE SIDE

= Optional extra

**SPARES KIT REF.**

**200/WS-010**

**DN150 : HON 226 MK.2 REGULATOR**

**Honeywell**

**NOTES:**

The DN150, HON 226 MK.2 Regulator commenced manufacture in July 1974 production.

The MK2 version superseded the DN150 Series 226 MK.1, eight of which were manufactured between January 1973 and July 1974.

The Mk.1 version, may be identified by the fact that the upper part of the spring housing screws into the lower portion of the housing.

The illustration shows a DN150, HON 226 MK.2 regulator.

These parts also suit the following variants:

<b>DN100 HON 226 MK2-ECL</b>	External Impulse
<b>DN100 HON 226 MK1</b>	Regulator
<b>DN100 HON 226 SD MK2</b>	Safety Diaphragm Requires additional spares <b>Item 'C'</b>

Additional Spares Kits:

200/WS-022 : **DN150, HON 226Z & ZSO MK2** Zero Governor
